INTRODUCTION TO CDM

WHO IS IT FOR?

This course is for anyone wishing to develop their knowledge of construction health and safety requirements and specifically the Construction (Design and Management) Regulations 2007 (CDM). People including Clients, Designers and Contractors have a range of health and safety responsibilities. This course provides delegates with an understanding of the steps relative to Health and Safety involved in projects from initial feasibility studies through to completion and handover.

WHAT IS COVERED?

- When does CDM apply?
- Roles and Responsibilities
- Project Notification
- Construction phase Health and Safety Plan
- Health and Safety site files
- Health and Safety pack

HOW LONG IS IT?

Half Day (3 – 4 hours)

Places are limited to 20 delegates per course and can be held throughout the UK at a venue of your choosing to keep disruption to your business to a minimum.

Upon completion delegates will receive a certificate of attendance.
